5. Communications

Chairman Johnson said it is the City Attorney's opinion that there should not be an ordinance prohibiting parking in front of mailboxes and this item should be referred back to Buildings & Grounds.

Ald. Perry has spoken with Ald. Payne and the school district. The school district has sent a communication to students. He would like to give this some time before expending any money for signage. Ald. Rodriquez questions the post office delivery person getting out of the truck to deliver the mail - this seems to be up to the driver. Perry said everyone is getting mail, so no need to go forward with a city wide ordinance at this time.
