Subject: Approval of Elimination of Bus Stop	

Details:
This item is to seek the approval to eliminate the bus stop at Greenmeadow Drive just north of Michigan Drive. The bus stop is located by the former City pump station property that a home is being built on. The only feasible location for the driveway for the new home is right where the bus stop exits. The bus stop has very low usage and is only served on weekday daytime hours as weeknight and weekend routing in that area is different. The bus stop is not ADA accessible and there are bus stops within a few blocks in each direction.

Options & Alternatives:
The only realistic alternative is to move the bus stop north of its current location but doing so would put it rather close to the bus stop at Greenmeadow Drive and Sherryl Lane.

Financial Remarks:
The cost to remove the bus stops is minimal.

Executive Recommendation:
Recommend approval.
