I would like to run a privacy fence to the front of my neighbors house. My house is set far back on my lot which limits my ability for privacy from my neighbor. My bed room window is not shielded at all based on positioning of the 2 homes - the fence would be between 801 westowne Ave and 805 westowne Ave. Also neighbor has been setting traps to kill squirrels and the bodies are often visible. This is disturbing to my family.
