Subject: Revision to Sec. 1.03 Polling Places for Aldermanic Districts 4, 6, 8, 12 and 13	

Details:
Polling locations for Aldermanic Districts 4, 6, 8, 12 and 13 need to be relocated as the current locations no longer wish to host election activity. Two of the current locations house two aldermanic districts and the replacements will also serve to support two districts. We plan to do a postcard mailing to all effected registered voters announcing the change.

Options & Alternatives:
There are currently no other options available. We are confident these changes will serve the voters and we appreciate the community partnerships offered to make these changes possible.

Financial Remarks:
There will be a reduction to facility use fees for 2024.

Staff Recommendation:
Staff recommends approval.
