& FORESTRY DEPARTMENT.**

(NOTE: Spring and Fall application)

WAUKESHA, WISCONSIN 53188

BIDS CLOSE Friday, March 1st, 2024 AT 12:00 P.M.

Proposals can be mailed, emailed, or dropped off until **Friday, March 1st, 2024** at 12:00 P.M. at the City of Waukesha Parks, Recreation & Forestry Office and Service Center, 1900 Aviation Drive, Waukesha, Wisconsin, 53188, for furnishing all the labor, equipment and materials in connection with the:

Treatment for Spring and Fall Broadleaf Weed Control and Fertilization

All are in accordance with the plans and specifications on file in the Office of the Parks, Recreation, and Forestry Director.

Plans, specifications, and proposal blanks may be obtained at the Office of the Director of Parks, Recreation, and Forestry.

The Parks, Recreation, and Forestry Board hereby reserves the right to accept the bid most advantageous to the City or to reject any or all bids.

INSTRUCTIONS TO BIDDERS

Each bidder must state in this proposal their full name and business address. If an incorporated company, the State under which the company was incorporated must be stated. Said company must be licensed to do business in the state of Wisconsin before a contract can be awarded to perform the work described in this proposal. Each proposal must be signed by the party authorized to submit it.

Each bidder must seal their proposal in an envelope that plainly states the title of the work

for which the proposal is intended. Delivery to the Parks, Recreation, and Forestry Department at its Office must be made no later than the time specified on the Official Notice to Contractors.

No proposal will be considered which is not submitted on the regular forms furnished by the City. The bidder shall make no changes or additions thereto.

Any of the maps provided give general locations of the areas to be treated. It is each bidder's responsibility to measure and check the boundaries of the spray area.

Each bidder shall make their own estimate of the quantities and calculate their prices accordingly.

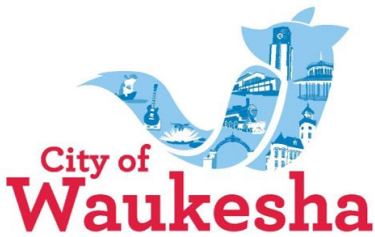

Bidders must satisfy themselves, by personal examination, or by such means as they prefer, as to the location, character, and intent of both the work and specifications. After the submission of the proposal, no complaint or claim of misunderstanding regarding the estimate of the supervisor, or the nature of the quantity of work to be done will be entertained.

A proposal will be disregarded unless the bidders show satisfactory evidence that they have been regularly engaged in the business of lawn care work as herein described.

The work shall be done under the supervision of the Grounds Supervisor and shall be pursued diligently and in a workmanlike manner. Reasonable and consistent progress must be maintained from commencement to completion thereof. The sequence of operations will be determined by the Grounds Supervisor, as deemed fit, to best serve the needs and convenience of the public.

No representations are made by the City, its officers, agents, or employees as to the existence or nature of visible or invisible surface or sub-surface difficulties, obstructions, or obstacles, whether shown on the plans or not, which may be encountered during the course of completing the work covered by the contract. The bid price for the contract, given this condition, must satisfactorily accommodate the completion thereof.

The contractor shall furnish to the City, before commencement of work, a certificate showing full coverage for Workman's Compensation insurance; a public liability insurance policy which shall cover all employees, sub-contractors, and vehicles; having a minimum single limit injury and property damage of \$1,000,000.00

The contractor shall also carry a comprehensive general liability policy for their operations with a minimum single limit of \$1,000,000.00 injury and property damage.

Also, the contractor shall have over and above said insurance, a minimum \$1,000,000.00 umbrella insurance policy coverage.

The City of Waukesha shall be named additional insured in all policies. Also, a clause will be included stating the City of Waukesha and its agents be held harmless.

The contractor shall furnish to the City, before commencement of work, copies of the business applicators license, and individual Wisconsin Department of Agriculture, Trade & Consumer Protection Applicator License for each person working under this contract. This includes but is not limited to: Administrators, mixers, transporters, and applicators.

If any person contemplating submitting a bid for the proposed work is in doubt as to the true meanings of any part of the plans, specifications, or other proposed contract documents, they may submit a written request for an interpretation thereof. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the proposed documents will be made only by a duly issued addendum. Copies of such addenda will be sent to each prospective bidder.

All writing shall be with ink or a typewriter, except the signature of the bidder, which shall be written with ink.

SPECIAL PROVISIONS
