Subject: Resolution relating to the special assessment for the installation of Concrete Sidewalk on Northview Road Phase 1 (Tallgrass Circle to Grandview Boulevard.)	

Details:

As approved in the 2018 CIP Budget, Northview Rd. will be reconstructed from Tallgrass Cir. to N. Grandview Blvd. in the Spring/Summer of 2018. As part of the roadway reconstruction project, **missing** sections of concrete sidewalk are proposed to be installed on both sides of Northview Rd. within the projects limits, and adjacent to all properties outside of Special Designated Area III described in the *Cooperative Boundary Plan Between The City of Waukesha and The Town of Pewaukee Waukesha County, Wisconsin* dated December 22, 1997 (Boundary Adjustment Agreement/BAA). A separate item will be on the February 22, 2018, Board of Public Works agenda to address the sidewalk installation in the BAA area.

The attached preliminary assessment resolution details the special assessment to the adjacent properties in conjunction with the sidewalk construction.

Options & Alternatives:

Not approving the attached resolution, and not exercising the power to levy special assessment upon specified properties.

Financial Remarks:

None. The cost for the added sidewalk will be assessed to the properties adjacent to the new sidewalk.

Executive Recommendation:

Recommend approval of the Resolution relating to the special assessment for the installation of concrete sidewalk on Northview Road Phase 1 (Tallgrass Circle to N. Grandview Boulevard).
