Subject: Review of WDNR Compliance Maintenance Annual Report (CMAR) for the year 2014 and Adoption of Resolution by Common Council.	

Details:
All facilities regulated by a WPDES permit are required by Wis. Admin. Code NR208, to submit a CMAR by June 30th annually. This year the DNR has extended the deadline to August 31st due to a delay with the on-line reporting software. The governing body of a publicly-owned treatment works shall pass a resolution that verifies its review of the CMAR, summarizes recommended or corrective actions if necessary, and authorizes submittal of the eCMAR form. The City of Waukesha CMAR for 2014 scored an overall 4.0 or A rating, so no actions are required.

Options & Alternatives:
None, see above.

Financial Remarks:
No financial impact to submit report, if corrections are required money would have to be budgeted for CIP, however no corrections/actions will be required.

Executive Recommendation:
Recommend the adoption of the CMAR Resolution for the year 2014 for the Wastewater Treatment Facility. The annual report was reviewed by the Board of Public Works.
