Common Council Item Number: ID No. 20-0796	Date: 8/18/2020
Submitted By: Eric Payne, Building and Grounds President	City Administrator Approval: Kevin Lahner, City Administrator
Finance Department Review: Diane Gard, Finance Director DG	City Attorney's Office Review: Brian Running, City Attorney
Subject: Convert 1 parking stall located north of the new garbage corral and adjacent to the southeast corner of the Couri Insurance building to motorcycle parking only.	

Details:

This item was originally taken up at the July 6, 2020 B&G meeting to have the subject vehicle parking stall be removed. The Committee placed this item on hold in order to review the possibility of converting this stall to a Compact Car Only parking stall. The topic of converting this stall to a compact only stall was then taken up at the August 3, 2020 B&G meeting. The Department of Public Works does not recommend converting this stall to a Compact Car Only stall. The police department weighed in on this topic and they do not have any means to enforce a Compact Car stall and they recommend against it. The committee felt that the stall could then be converted to a Motorcycle parking stall only and it would be more enforceable. The committee voted unanimously to convert this stall to motorcycle parking only.

Options & Alternatives:

None

Financial Remarks:

The is minimal cost <\$50 to "cross" out (paint) the old parking spot. Any cost would come out of the covered by the 2020 Building and Grounds Sign Budget (3310.54140).

Committee Recommendation:

The Building and Grounds Committee amended the item to convert one parking stall to motorcycle only instead of removing the parking stall.
