

Summary of Waukesha County Transit Administration Services Agreement

The City of Waukesha Transit Commission has been providing transit administrative services for Waukesha County since 2003. Per federal requirements, every 5 years, this contract must be competitive solicited and the Waukesha Transit Commission has again been awarded the contract for 2015-2019 effective January 1, 2015. The first year revenue to provide the services is \$133,807.51. The major services provided to Waukesha County include: service contractor oversight/contract administration, compliance, marketing, grant administration, and financial management/budget development.
