----------	----------	-----------	------------------	----------------	-----------------	--

Notes:

Meets all requirements of review workflow and addressing guidelines.

Note: Consider including "E Broadway" in the street label. This is the common name of CTH D and addresses on this parcel will be assigned using that name (e.g., 2010 E Broadway)

Additional Note: Both parcels of the CSM 1214 (neighboring to the east) are labeled as "Parcel 1". The parcel further east should be "Parcel 2".
