## 5. Discussion and Recommendation

[ID#16-1258](#) Consider modifying the ordinance regarding individuals currently required to comply with the Wisconsin Sex Offender Registry Program (S.O.R.P.) restricting participation in activities within the community that promotes the enticement of children (i.e. Trick or Treat), wear costumes/masks, or anything that hides their identify.

*Ald. Hernandez brought this forward a few years ago and it was discussed before the Council. He said some offenders are under the supervision of the Dept. of Corrections and some are not. Those that are not can participate in these types of activities right now. He would like to see an amendment to the ordinance that would restrict these types of activities for those not under supervision. Communities that have a similar restriction include an exception for activities done in private for their own children for a 30 day period prior to a holiday. Hernandez would like this to apply to anyone required to register with the SORP. Once someone is no longer required to register, they would not have this proposed restriction.*

**Motion made by C. Payne and seconded by Perry to send this to the City**

**Attorney's office to draft an ordinance. The motion passed by the following vote:**

**Aye:** 4 - Perry, Manion, Johnson and C. Payne

**Absent:** 1 - Jankowski
