Subject: Review and act on the request from Michael Porter for a one-time sewer credit for 3701 Madison St..	

Details: The City of Waukesha Municipal Code Chapter 29 requires sewer billing to be based upon the measured volume of water consumed and allows for a one-time unmetered credit. According to Chapter 29.11(h)(4) titled One-Time Unmetered Credit, users without credit meters may request an adjustment of sewer service charges for special circumstances such as such as the filling of a swimming pool or the sprinkling of new landscape. Michael Porter, on September 8, 2022, requested a credit for sewer service charges for the time period of July to September 2022. During this period, a new lawn was installed that required extensive watering. For comparison and calculation of a refund, the average water usage was compared with the period of heavy usage. High Usage: 178,200 gallons Average Usage: 12,267 gallons Estimated Additional Usage: 165,933 gallons Calculated Refund (2022 - \$8.92 /1000 gal): \$1,480.12
