

**Development Agreement
Wildeck, Inc. & North Street Plant 15, LLC**

Parcel ID No.: WAKC 1002 990

After recording return to:
City Attorney
201 Delafield St Ste 330
Waukesha WI 53188-3646

This Development Agreement, referred to herein as the Agreement, is made by and between the **City of Waukesha, a Wisconsin municipal corporation**, 201 Delafield Street, Waukesha, Wisconsin 53188, referred to herein as the City; **Wildeck, Inc.**, referred to herein as the Developer, and **North Street Plant15, LLC, a Wisconsin limited-liability company**, referred to herein as the Owner. The Developer, Owner and the City together are referred to herein as the Parties.

Legal Description:

All that part of the Northwest ¼ of Section 35, Township 7 North, Range 19 East, City of Waukesha, Waukesha County, Wisconsin, viz: Commencing at a point where the West ¼ line of Section 35 intersects with the center line of C.T.H. "F" former S.T.H. "164" and the Point of Beginning of lands described hereinafter; thence North 16°00" East along said line 127.81 feet to a point; thence North 88°01'35" West 134.28 feet to a point; thence South 01°58'21" West 50.00 feet to a point; thence South 15°59'47" West 31.29 feet to a point; thence South 89°40'06" West 395.43 feet to a point; thence South 00°40'00" West 45.14 feet to a point in the South line of said Northwest 1/4 section; thence due West along said South line 40.00 feet to a point in the East line of Palmer Street; thence North 00°40'00" East along said East line 60.08 feet to a point in the North line of said Palmer Street; thence North 89°20'00" West along said North line 20.00 feet to a point in the East line of Lot 13, Block 1 of Park View Subdivision; thence North 00°40'00" East along said East line 262.00 feet to a point in the South line of Lot 17, Block 1 of Gascoigne Addition; thence South 89°20'00" East along said South line 67.50 feet to a point; thence North 17°22'00" East 52.20 feet to a point in the East line of said Lot 17; thence North 00°39'33" East along said East line 624.55 feet to a point; thence due East 524.66 feet to a point; thence North 89°17'00" East 220.38 feet to a point in the West line of C.T.H. "F" former S.T.H. "164" as described in Document No. 341008; thence South 20°30'35" West along said West line 229.67 feet to a point; thence South 77°18'11" East 40.27 feet to a point on the center line of C.T.H. "F" former S.T.H. "164"; thence Southwesterly 340.81 feet along said centerline on an arc of a curve, whose center line lies to the Southeast, whose radius is 5815.23 feet, and whose chord bears South 17°41'30" West 340.76 feet to a point; thence South 16°00'00" West 340.31 feet to the Point of Beginning.

This real estate is referred to herein as the Property.

Recitals

Developer has proposed a project to consolidate Wildeck, Inc. facilities to the Property. This project will entail the following:

Wildeck, Inc. will relocate its existing facilities in Waukesha and Pewaukee to the Property.

Approximately 90,000 square feet of existing building space will be removed.

Approximately 40,000 square feet of new office space will be constructed on the Property and approximately 18,000 square feet of existing office space will be renovated.

Site and infrastructure improvements.

The Developer has represented to the City that this overall redevelopment is expected to increase the assessed value of the Property by no less than \$6,500,000 and will be assessable for real property taxes at no less than \$9,900,000 by January 1, 2025.

The City has determined that it is in the best interests of the City and its taxpayers that the proposed redevelopment occur.

The City has been presented with satisfactory proof by Developer and a third-party consultant that, but for the extension of tax incremental financing, the proposed redevelopment will not occur. The project is proposed to be built within the City's Tax Incremental District 31, referred to herein as TID 31.

City has determined that making certain Development Incentive Grants to the Developer under Part Two of this Agreement constitutes an eligible project cost under Wis. Stat. §66.1105 and the Project Plan for TID 31 and further that such Development Incentive Grants are intended to be used to reimburse eligible project costs of the Developer.

The Common Council authorized the execution of a development agreement with the Developer on _____ to provide tax-increment financing to the Developer for the proposed development.

Now, therefore, in consideration of the mutual promises of the Parties contained in this Agreement, the Parties agree and contract as follows:

Part One – Construction of the Development

1. The Development. The term Development refers to the Property and the improvements thereon as generally shown on Exhibit A, and specifically as described in the final development plans approved by the City's Plan Commission incorporating all City department requirements approved by the Common Council. In general, the Development shall include, at a minimum, the following improvements:

- a. Relocation of existing Wildeck, Inc facilities in Waukesha and Pewaukee to the Property.
- b. Demolition of approximately 90,000 square feet of existing antiquated building space.
- c. Construction of approximately 40,000 square feet of new office space.
- d. Renovation of the existing manufacturing areas and approximately 18,000 square feet of existing office space.
- e. The Development shall also include site and infrastructure improvements as required in the final plan approval including the improvement of private drives and parking lots, removal of unneeded impervious surface, relocation of a fire pump, and stormwater management facilities.

2. Deviations from Approved Plans. Material deviations from the approved plans and specifications shall not be made unless approved by the City planning staff in advance and agreed to in writing appended to this

Agreement. The City planning staff reserves the right to refer any changes it deems so material as to be in conflict with the original plan to the Plan Commission for its approval.

3. Construction Deadlines. Subject to Force Majeure Delays (as defined below), Developer shall complete construction per the following schedule:

- a. Raze approximately 90,000 square feet of existing building space commencing before December 31, 2022, pending approval by the City of Waukesha and subject to weather, material availability, availability of contractors and other conditions.
- b. Construct approximately 40,000 square feet of new office space and renovate approximately 18,000 square feet of existing office space and gain occupancy of the new space by January 1, 2025, pending approval by the City of Waukesha.

Part Two – Financing Assistance

4. Development Incentive Grant. The City will pay a Development Incentive Grant of \$1,000,000 to Developer upon issuance of an occupancy permit for the new office space identified in section 1.c and the completion of Construction Cost Verification outlined in Section 5.

5. Reduction of Development Incentive Grant. The dollar limit of the total Development Incentive Grant in section 4 may be reduced, as follows: At the execution of this Agreement, Developer shall deliver to the City copies

of all contracts for the construction of improvements in the Development, fully executed by the Developer and the respective contractors, and all other documents reasonably requested by the City and City's consultants to establish a baseline figure for the cost of constructing the improvements in the Development described in Section 1. Upon completion of the construction of the improvements described in Section 1, the Developer shall deliver to the City documentation of the total costs of construction of those improvements, sufficient for the City and City's financial consultant to determine the actual total cost of construction, including documentation of all draws made against Developer's (or Owner's, as applicable) construction loan and all backup information provided to such lender. Developer shall provide to City all additional documentation reasonably requested by the City or City's financial consultant reasonably necessary to compute the actual total cost of construction, in the City's reasonable discretion. City or City's financial consultant shall then compute the actual total "cost of construction" of those improvements (which shall include all hard and soft costs included in the pre-construction budget and related to such improvements and the construction thereof), and if that cost is less than the total cost of construction shown in Developer's final pre-construction budget submitted to the City, then the dollar limit of the total Development Incentive Grant in Section 4 shall be reduced by an amount equal to one-half of the difference between the pre-construction budget and the final cost of construction determined by the City and City's financial consultant. If that reduction amount exceeds the total remaining balance of the Development Incentive Grant, the Developer shall not owe a refund to the City. The construction cost verification and dollar-limit adjustment shall take place within 6 months of the issuance of the final certificate of occupancy. The City's calculation of construction costs shall be based on reasonable market standards and include all typical costs associated with development, but shall not include new furnishings. "Costs of construction" shall include all actual costs associated with the Development, including but not limited to disbursements made by or on behalf of the Developer or Owner, their affiliates or their assignees in connection with the construction of the Development, design, consulting and engineering fees, legal fees, all other categories of soft costs.

6. Grant Not for Payment of Taxes. Developer shall not use any Development Incentive Grant for the reimbursement or payment of any real, personal, or other property taxes.

7. Grant Not a Debt Obligation. This Agreement is the only documentation of the City's obligation to pay the

Development Incentive Grant, and no other instrument will be executed to evidence the obligation to make the Development Incentive Grant. The Development Incentive Grant shall not be included in the computation of the City's constitutional debt limitation, because the Grant is limited and conditional, and no taxes have been or will be levied for its payment or pledged to its payment. Nothing in this Agreement shall be deemed to change the nature of City's obligation from a limited and conditional obligation to a general obligation.

Part Three – Warranty of Taxable Value and Payments In Lieu of Taxes

8. Warranty of Assessed Value. The Property shall be assessed separately by the City for property-tax purposes. Developer warrants to the City that the assessed value of the Property shall be no less than \$9,900,000 ("Warranted Value") as of January 1, 2025 and as of each successive January 1 until January 1 of the 10th tax year after the closure of TID 31.

9. Payments in Lieu of Taxes. Subject to Force Majeure Delays, from and after January 1, 2025, and for each and every year until TID 31 closes, if the assessed value of the Property is below \$9,900,000, the Developer shall make payments in lieu of taxes to City in addition to the real property taxes payable that year, equal to the property taxes that would have been paid on the difference in value between the actual combined assessed value of the Property and \$9,900,000. It shall not be a breach of this section 9 if the failure to meet the Warranted Value is due to taking by eminent domain.

a. Due Date of Payments. Payments in lieu of taxes shall be due on March 15 of the year in which regular property tax payments are due. For example, if on January 1, 2025, the assessed value of the Property is 8,900,000 (\$1 million less than Warranted Value) a payment in lieu of taxes equal to \$1,000,000 times the tax rate for 2025 would be due on March 15, 2025.

b. Term of Payments. The obligation to make payments in lieu of taxes shall continue until the 10th tax year after the closure of TID 31.

10. Payments in Lieu of Taxes Due without Regard to Tax-Exempt Status. The obligation to make payments in lieu of taxes continues even if the Development or the Developer or Owner becomes exempt from the payment of property taxes, or if the Developer or Owner successfully challenge the assessment of the

Development in court and has the assessment reduced below the Warranted Value.

11. Unpaid Amounts to Be Special Charge. If the Developer fails to make any payment in lieu of taxes when due, the Developer and Owner consent that any unpaid amount shall be a special charge imposed upon the Development pursuant to Wis. Stat. §66.0627 and §74.01(4).

12. Preservation of Value of Development. The following covenants shall survive and continue in effect until the closure of TID 31.

a. Prohibition of Conveyance to Tax-Exempt Entity. Developer and Owner shall not convey the Development or any portion of the Development to any entity which is exempt from payment of property taxes unless such entity and the City execute an agreement for the entity to make payments in lieu of taxes, in the full amount of the property taxes that would otherwise be owed, for each year that such entity owns the Development. Any conveyance attempting to do otherwise shall be void and of no effect. City is not obligated to execute such an agreement if it deems the third-party entity to be an unacceptable credit risk.

b. Prohibition of Obtaining Tax-Exempt Status. Developer and Owner shall not make application for, obtain, or accept recognition of tax-exempt status which would result in the Development being exempt from real-property taxation for the life of TID 31 unless the Owner and the City execute an agreement for the entity to make payments in lieu of taxes, in the full amount of the property taxes that would otherwise be owed.

c. Prohibition of Contesting Real Property Taxes. Developer and Owner waive their rights to, and shall not, contest in any manner or in any forum the City's assessed value of the Development, to the extent that the requested re-assessment would result in an assessed value less than the Warranted Value.

d. Requirement to Maintain the Development. Developer and Owner shall maintain the Development, and all additions, improvements, and fixtures to the Development, in good condition, in compliance with all applicable statutes, building codes, and the Waukesha Municipal Code, such that the fair market value of the Development does not decrease as a result of the condition of the

Development or a failure to maintain the Development.

e. Requirement to Maintain Casualty Insurance. Developer shall maintain comprehensive property casualty insurance on the Development, including builder's risk insurance during construction and loss of income coverage, for not less than the actual replacement value of all improvements and lost income. Developer shall provide the City with proof of such coverage upon request.

f. Requirement to Reconstruct after Casualty Loss. Subject to the rights of Developer's or Owner's mortgage lenders, Developer (or Owner, as applicable) shall promptly repair, rebuild and reconstruct the Development after any casualty loss, to restore the Development to the condition it was in prior to the loss. If the loss is of a type covered by the insurance required in section 12.e, then Developer or Developer's successors shall make claim to casualty-insurance carriers for all casualty and income losses, promptly after loss, and, subject to the rights of Developer's and/or Owner's mortgage lenders to proceeds of casualty insurance policies, shall apply all proceeds of the insurance to the repair and reconstruction of the Development. Casualty loss shall not be an excuse for not making payments in lieu of taxes.

Part Four – General Provisions

13. Agreement Runs with the Land and Binds Successors. The City shall record this Agreement against the Development with the Register of Deeds for Waukesha County, at the Developer's expense. This Agreement shall run with the land. This entire Agreement is binding on and inures to the benefit of the Developer, Owner, and all of Developer's and Owner's successors in interest, except that if the City certifies in writing that Developer and/or Owner has fully performed all of its obligations under this Agreement, only the following sections of this Agreement are binding upon Developer's and Owner's successors in interest: 8, 9, 10, 11, and 12. The City shall provide such written certification upon request, and shall not unreasonably withhold it.

14. Parties Are Independent Contractors. Nothing in this Agreement shall be construed to create any relationship between the Parties other than independent

contractors. Unless specifically provided in this Agreement, the Parties are not agents for one another, have no authority to bind the other to contracts, and have no vicarious liability for the other's acts or omissions. The City shall not participate in, or have any responsibilities connected with, the Development in any way other than the City's specific obligations in this Agreement.

15. Governmental Immunities and Notice Requirement Preserved. Nothing in this Agreement shall be construed to be a waiver or modification of the governmental immunities or notice requirements imposed by Wis. Stats. §893.80 or any other law.

16. Assignment Prohibited. Prior to completion of the Development, this Agreement, and the Developer's responsibilities under this Agreement, may not be assigned by the Developer without the City's written consent, which cannot be unreasonably withheld, provided, however that the City hereby agrees that the Developer (or Owner) may collaterally assign this Agreement to its lenders and the City shall acknowledge and consent to the same on terms and conditions reasonably acceptable to the City. Nothing herein shall prohibit the Owner from selling or transferring the Property prior to completion of the Development, provided that Owner shall provide written notice to the Developer and City upon any such transfer.

17. Notices. All notices required by this Agreement shall be in writing and delivered by first-class postage by the US Postal Service, addressed as follows:

To City:

Director of Community Development
City of Waukesha
201 Delafield St Ste 200
Waukesha WI 53188

To Developers:

Wildeck, Inc.
405 Commerce St.
Waukesha, WI 53186

North Street Plant15, LLC
6103 N. 76th Street
Milwaukee, WI 53218

18. City Access to Development. Developer and Owner shall give City representatives access to the Development during construction, upon reasonable notice, to inspect and verify compliance with this

Agreement provided any such access shall be at the City's and its representatives' sole risk.

19. Proof of Good Standing and Authorization.

Developer shall provide to City a certificate of good standing issued by the Wisconsin Department of Financial Institutions, and a resolution of all members of Developer authorizing the execution of this Agreement by the individuals signing, within 10 days of the execution of this Agreement. Owner shall provide to City a certificate of good standing issued by the Wisconsin Department of Financial Institutions, and a resolution of all members of Owner authorizing the execution of this Agreement by the individuals signing, within 10 days of the execution of this Agreement.

20. Default. Neither Party shall be in default of this Agreement unless written notice of the default has been delivered and 30 days have passed without the default being cured by the Developer or Owner, as applicable; provided, if such default cannot be reasonably cured within such 30-day period, then such longer period as may be reasonable to effectuate such cure, as long as such party is diligently pursuing such cure. An election by any Party not to enforce any default of this Agreement shall not be deemed to be a waiver of the right to enforce subsequent defaults.

21. Costs of Enforcement. The Parties agree that in the event legal action is necessary to enforce any term or condition of this Agreement, then the breaching Party will pay the non-breaching Party's costs incurred in such legal action, including actual and reasonable attorney fees. If a judgment is taken, then costs of enforcement will be added to the judgment.

22. No Discrimination. Developer shall not discriminate against any employee or contractor, or potential employee or contractor, in the construction of the Development on the basis of race, religion, marital status, age, color, sex, sexual orientation, physical condition, disability, national origin or ancestry.

23. Corporate Authorization. The individuals executing this Agreement on behalf of the Developer and Owner warrant and represent that they are duly authorized to bind the such party to this Agreement. Developer and Owner each warrant and represent that the execution of this Agreement is not prohibited by such party's articles of incorporation, by-laws, operating agreement, or other internal operating orders, or by any applicable law, regulation or court order. Developer and Owner shall provide proof upon request.

24. Assistance of Counsel, Voluntary Agreement. Developer and Owner acknowledge that they have either had the assistance of legal counsel in the negotiation, review and execution of this Agreement, or have voluntarily waived the opportunity to do so; that such party has read and understood each of this Agreement's terms, conditions and provisions, and their effects; and that such has executed this Agreement freely and not under conditions of duress.

25. Severability. If any term of this Agreement is held unenforceable by a court having jurisdiction, then to the extent the unenforceable term can be severed from the remainder of this Agreement without affecting the enforceability of the remainder of this Agreement or substantially frustrating its purpose, it will be so severed, and the remainder of this Agreement will remain in effect and enforceable.

26. Governing Law and Jurisdiction. This Agreement will be construed and enforced according to the laws of Wisconsin. If a lawsuit arises out of this Agreement, it shall be filed in the state Circuit Court for Waukesha County, Wisconsin. The Parties consent to personal and subject-matter jurisdiction in Wisconsin, and waive all jurisdictional defenses.

27. Integration. This Agreement constitutes the entire agreement of the Parties. All other agreements and understandings of the parties with respect to the subject matter expressed in this Agreement are unenforceable. However, nothing in this Agreement shall be construed to

limit the Common Council in the exercise of its legislative powers.

28. Estoppel Certificate. City will provide Developer or Owner with an estoppel certificate upon Developer's or Owner's reasonable request.

29. Limitation on Liability. The Parties acknowledge and agree that in carrying out any of the provisions of this Agreement or in exercising any power or authority granted to them thereby, there shall be no personal liability of either Parties' officers, managers, members, partners, agents, shareholders, employees, or representatives, it being understood and agreed that in such matters they act as agents and representatives of the applicable party.

30. Force Majeure. No Party shall be deemed to be in default of this Agreement if the failure to perform is the result of unforeseeable causes beyond the Party's control, such as civil disorder, war, acts of enemies, strikes, fires, floods, adverse weather conditions, legally-required environmental remedial actions, industry-wide shortages of materials and/or labor, acts of God, Governmental restrictions, and/or pandemics or epidemics, provided the Party has used reasonable diligence in attempting to anticipate and avoid such causes and resumes performance in good faith as soon as possible. Time for performance shall be extended by the period of delayed performance.
