Committee: Building and Grounds	Date: 11/2/2020
Common Council Item Number: ID No. 20-1309	Date: 11/17/2020
Submitted By: Fred Abadi, P.E. Public Works Director	City Administrator Approval: Kevin Lahner, City Administrator KL
Finance Department Review: Bridget Souffrant, Finance Director BS	City Attorney's Office Review: Brian Running, City Attorney BR
Subject: Please approve installing crosswalk markings and a stop bar on the Hollidale Drive approach to Springdale Road.	

Details:
This item was referred by Ald. Don Browne. In September 2020, Engineering staff conducted a traffic study of the intersection of Springdale Road from E. Moreland Blvd. to Bluemound Road. Said study produced findings and made recommendations to improve safety along the corridor. At their October 5, 2020, Building and Grounds meeting, the committee discussed several recommendations that Engineering staff had presented. The subject item of installing markings on Hollidale Drive was part of the recommendations. Ald. Browne then made the subject referral to get official approval. The Department of Public Works does not have any issues with this item.

Options & Alternatives:
None

Financial Remarks:
If the committee approves this item, it will be installed in Spring 2021 by the City Garage and cost around \$200 in paint. This would be covered by the 2020 Building and Grounds Budget (3310.54140).

Executive Recommendation:
The Department of Public Works recommends approval.
