| <b>Subject:</b><br>Ratification of the creation of carry-out zones and the postage of signage.   |   |
| <b>Details:</b><br>Restaurants and bars are allowed to continue to conduct business during the Safer at Home Order, but they are limited to carry-out and delivery service only. To help downtown restaurants and bars continue to operate, the Community Development Department proposed creating carry-out zones, which are designated parking areas for customers of businesses offering carry-out service. Signage has been placed. Ordinarily, the placement of signage would require Buildings and Grounds Committee and Common Council approval, so this is being presented to you for your approval now. |   |
| <b>Options &amp; Alternatives:</b><br>There are no recommended alternatives.   |   |
| <b>Financial Remarks:</b><br>There will be no financial impact to the City, other than the cost of signage.  |   |
| <b>Executive Recommendation:</b><br>Ratify and approve the decision to create carry-out parking zones and the placement of signage.  |   |
