

Petition to Not Relocate/Replace Basketball Court at Priedeman Park

<p>Petition summary and background</p>	<p>As part of the Priedeman Park redesign, a proposal has been made by The City of Waukesha Parks, Recreation & Forestry Department to remove the basketball court from its current location, and build a new basketball court to the north side of the pavilion near the intersection of Saratoga Rd. and Lexington Dr. There is no need for a basketball court of any kind at Priedeman Park as there are 3 basketball courts available at nearby Banting Elementary and Horning Middle Schools. Over the past several years there have been issues with loud and obscene music, excessive litter, foul language, fights, and reckless driving near the park all by people who have come to the park to utilize the basketball court.</p>
<p>Action petitioned for</p>	<p>We, the undersigned, are concerned citizens who urge our leaders and The City of Waukesha Parks, Recreation & Forestry Department, in an effort to keep our community safe and quiet, to act now and not replace or relocate, but remove the basketball court from Priedeman Park.</p>
