Subject: Rescind previously approved ID#14-1265-3: Establish 30 minute parking, 7am to 7pm, except Sundays and holidays, on south side of South Street from 50' west to 25' west of centerline of Gaspar Street.	

Details: This item was referred by Public Works. The City is in the process of reconstructing South Street and Gaspar Street. The proposed street improvements will require several existing parking zones to be removed and several new parking zones to be formed. This item is to rescind a previously approved 30 minute parking zone on South Street. The zone was specifically installed and approved for a business that required quicker parking turn over. Said business no longer exists and the Department of Public Works recommends removal of this 30 minute parking zone. The Committee voted unanimously to approve this item.
Options & Alternatives: None
Financial Remarks: The signs from the old parking zone will be removed by the construction contractor or by City garage staff at no cost.
Executive Action: If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.
Committee Recommendation: The Buildings and Grounds Committee approved this item at their April 2, 2018, meeting. This item will appear under the Consent Agenda for the April 17, 2018, Council meeting.
