Re: Old Farm Development

In January 2024, Bielinski Homes Inc. requested the extension of approximately 970 feet of 8-inch water main to serve 17 proposed lots. This project is located just north of Madison Street and west of Les Paul Parkway as part of an extension of Overton Avenue. The project has been reviewed and approved by Waukesha Water Utility and has received approval from Wisconsin DNR as well.

The developer's agreement is our standard agreement and is enclosed with this memo.

**Recommended Motion:** Move to approve the Developer's Agreement for Olde Farm Subdivision at no cost to the Utility.
