Subject: Review and act on Proposed Bus Stop Changes	

Details:
This item is to review and act on proposed changes to bus stops:

1. Eliminate the bus stop on University Ave. at Chancery Ln. (west side of street)-The bus stop has very low ridership and has no sidewalk or curb cuts which would be costly to add to make accessible. In addition, there is a bus stop just 500 ft. south of that location.
2. Change proposed bus stop location from 1800 Sunkist Ave. to Sunkist Ave. at Pleasant View Ave (north side)-Approved routing changes to the Route 8 & 7/8 in the Sunkist and University area required adjusting some bus stop locations that included adding a bus stop at 1800 Sunkist Ave. After further study and discussion with City Engineering, we are recommending moving the proposed bus to Sunkist Ave. at Pleasant View Ave. from 1800 Sunkist Ave as it would move the bus stop and passengers further away from the Grandview Blvd & Sunksit Ave. intersection.

Options & Alternatives:
The only alternative would be to keep the bus stops at their current locations.

Financial Remarks:
The cost of removing/moving the bus stops is minimal as it only involves some staff time.

Executive Recommendation:
Recommend approval.
