Subject: Approve Utility Easement at Rivers Crossing Park	

Details:
As part of the original and further development of the neighborhood surrounding Rivers Crossing Park, utilities are being installed. This easement came before the Parks, Recreation & Forestry Board in 2016, however, as it was not recorded, it has been updated per recommendations from the Engineering Department. An easement to the We Energies, Charter, AT&T, the communications and electric companies, needs to be granted so they can access their existing lines under park land. The utilities will directionally bore, so there will be no turf damage. There are no costs to the City.

Options & Alternatives:
1. Approve as submitted.

Financial Remarks:
n/a

Executive Recommendation:
Approve easement as presented.

Committee Recommendation:
On the 4-16-2018 Agenda – Parks, Recreation & Forestry Board.
