Subject: Discussion and Recommendation: Establish No Parking Anytime on the north side of S. Grandview Blvd. from the corner of W. St. Paul Avenue to 15 feet east of the east property line of 1235 S. Grandview Blvd.	

Details:
The current No Parking zone starts at St. Paul Avenue and extends to the bus stop located approximately 110 feet to the west. The issue arises that cars are allowed to park immediately west of this bus stop and the bus cannot safely maneuver around cars parked immediately west since there is a steep upgrade hill. Extending the No Parking zone further west will give busses more room merge back into traffic after the stop. This item was discussed by the committee and a motion was made to approve No Parking Here to Corner on the north side of S. Grandview Blvd. from the corner of W. St. Paul Avenue to 15 feet east of the east property line of 1235 S. Grandview Blvd. The vote was unanimous to approve.

Options & Alternatives:
Establish the No Parking Zone.

Financial Remarks:
The cost to install the sign and relocate a speed limit sign would be funded by the BG Sign Budget (3310.54140). The approximate cost for this sign work would be \$50

Executive Action:
The resolution for this installation of this sign assembly will need to be executed by the Mayor and Clerk after the Council Meeting

Committee Recommendation:
The Buildings and Grounds Committee approved at their March 16, 2015 meeting the installation approve No Parking Here to Corner on the north side of S. Grandview Blvd. from the corner of W. St. Paul Avenue to 15 feet east of the east property line of 1235 S. Grandview Blvd. This item will be under the Consent agenda.
