| Subject: Approval of the Decommission of Bus 131 | |

Details:

The rear differential on Bus 131 has broken. The replacement part would cost more than \$6,000 and the frame is bad. Bus 131 is 17 years-old and has more than 625,000 miles. This is 5 years and 125,000 miles beyond its useful life. Staff recommendation is to decommission the bus and sell for scrap.

Options & Alternatives:

Given the age and condition of the bus, it is not feasible to repair this bus.

Financial Remarks:

The Transit Commission will receive approximately \$1,500 -\$2,000 (depending on current pricing for scrap metal) in revenue from the scrap sale of the bus which will offset tax levy support.

Executive Recommendation:

Recommend approval of the decommission of Bus 131.

Committee Recommendation:

Transit Commission recommends approval.
