<b>Committee:</b> Board of Public Works	<b>Date:</b> 3/21/2019
<b>Common Council Item Number:</b> ID #19-0392	<b>Date:</b> 4/4/2019
<b>Submitted By:</b> Fred Abadi, Director of Public Works	<b>City Administrator Approval:</b> Kevin Lahner, City Administrator
<b>Finance Department Review:</b> Rich Abbott, Finance Director RA	<b>City Attorney's Office Review:</b> Brian Running, City Attorney BR
<b>Subject:</b> Review and act on the Contract for B-67-177 (Prairie Avenue) Structure Rehabilitation Engineering Design Services.	

**Details:**

In 2017, the City applied for Federal funding for both the Madison Street and Prairie Avenue bridges for structural rehabilitation. In 2018, the City received approval to enter a State Municipal Agreement (SMA) for both structures for an 80% federal 20% City funded rehabilitation project for both consultant design services and construction.

In February of 2019, The Department of Public Works solicited proposals from consultants to provide engineering design services for this work. The request was sent out to 19 consultants and nine responded with proposals. After reviewing the proposals, the City's review team chose AECOM. The scope of their services is attached with a Lump Sum price of \$45,094.16.

**Options & Alternatives:**

The other consultant could be chosen, but AECOM is recommended due to their experience and expertise along with the cost considerations.

**Financial Remarks:**

Account 0002.68290 - \$9,018.83

**Executive Recommendation:**

Recommend approval of the B-67-177 (Prairie Avenue) Structure Rehabilitation Engineering Design Services project.
