See attached Certified Survey Map (CSM)

The reason(s) for the Rezoning Petition are:

Rezoning for this property will be necessary to develop the site for use as the Booster Pumping Station (BPS) and Water Tower (WT). WWU formed the Great Water Alliance (Program) to transition the City's water supply from groundwater to Lake Michigan water at a net zero water balance with the Lake Michigan watershed. To facilitate the implementation of the Program, it will be necessary to construct a BPS, WT, and reservoirs at the aforementioned site.
