

Manufacturer of Pressure Sensitive Labels and Tapes

City of Waukesha

Waukesha, WI

To Whom it May Concern,

Nev's Ink is a manufacturer of pressure sensitive labels and tapes, of which 85% of our market is in the healthcare field.

Over the last couple of years, we have experienced double digit growth. With growth comes the need for more raw materials and therefore more storage space.

Nev's Ink is wanting to put up a 3,600 square foot warehouse to accommodate additional raw materials.

This building will be built by Morton Builders who has built the two buildings already on the property. The building will be perpendicular to the two existing buildings and have the same look and feel of the property.

Nev's Ink thanks you in advance for your consideration and approval of the project.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Nevermann", is written over a horizontal line. The signature is fluid and extends to the right.
