5. Review & Act On

[ID#16-1535](#) Review and Consider Allowing Overnight Parking in the Central Business District - especially on Ann St.

Referred by Ald. Payne. The Buildings & Grounds Committee recommended that this be sent to O&L. Ann St. has not always been in the Central Business District. Jennifer Andrews said there are other streets that should be looked at as well; because of this Ald. Payne added general language to his referral. Payne said this is residential and a low traffic area behind and next to Fire Station no. 1. He is specifically concerned about Ann St. and Fuller St.

Motion made by Chairperson Johnson to exclude Ann and Fuller Street from the overnight parking restriction in the Central Business District; motion seconded by Jankowski. The motion passed by the following vote:

Aye: 5 - Perry, Manion, Johnson, C. Payne and Jankowski

[ID#16-1661](#) Recommend Language Modification to Ordinance 3.02 - Water Utility Commission

Dan Duchniak stated that the Water Utility Commission took up this item and recommended approving it and referring it to the O&L Committee. The proposed modification to the ordinance would specify in sec. 3.02(11) that the Water Utility Manager has the authority to sign service contracts on behalf of the City.

A motion was made by Chairperson Johnson, seconded by Perry, to approve the recommended changes to sec. 3.02(11) to allow the Water Utility manager to sign service contracts on behalf of the City. The motion carried by the following vote:

Aye: 5 - Perry, Manion, Johnson, C. Payne and Jankowski

[ID#16-1673](#) Review and Consider Revising Section 4.07, Waukesha Municipal Code

State statute allows the city to charge interest and penalty on overdue real estate and personal property taxes. Our City code specifies interest, but not penalty. Running also proposes putting interest and penalty in a separate section of the code and not under 4.07 Installment Tax Payment.

A motion was made by C. Payne, seconded by Perry, to approve the recommended amendment to sec. 4.07(5) related to adding language that specifies a penalty for overdue or delinquent personal and real property taxes. The motion carried by the following vote:

Aye: 5 - Perry, Manion, Johnson, C. Payne and Jankowski
