Legislative History

10/16/17 Building and Grounds held

After discussion on this item and the following Item No. 17-1520, the Committee decided to place both items on hold until the December 4, 2017, B&G meeting. During that time, Ald. Payne will be working with Administration to possibly enact an ordinance to reinforce the existing federal law regarding parking in front of a mailbox. The Committee wanted to explore that option first instead of continually paying for installation of Parking Restriction signs to combat the issue of drivers parking in front of mailboxes. In December, the Committee will discuss the two items again.
