Buildings and Grounds ID Number: ID#15-2489	Council Meeting Date: 5/19/2015
Submitted By: Eric Payne, Building and Grounds President	City Administrator Approval: Kevin Lahner, City Administrator KL
Finance Department Review: Rich Abbott, Finance Director RA	City Attorney's Office Review: Brian Running, City Attorney BER
Subject: Discussion and Recommendation: Approve installation of an All Way stop and associated crosswalk pavement markings at the intersection of River Place Blvd. and Parkton Drive.	

Details:
Referral was made by Ald. Perry. Activity would involve installing an All Way stop condition at the intersection of River Place and Parkton. The installation of the All Way stop is in anticipation of construction and completion of a new park west of River Place. The Parks department has also requested this stop condition. In addition to stop signs, pavement markings will also be installed to delineate the crosswalk and stop line. This item was supported by residents and Ron Grall from the Parks Department. The committee discussed this item and voted unanimously to approve it.

Options & Alternatives:
Discuss whether the installation of an All Way stop is appropriated and warranted.

Financial Remarks:
The cost of installing this is expected to be \$300 and covered by the BG Sign Budget (3310.54140)

Executive Action:
The resolution for this installation of this sign assembly will need to be executed by the Mayor and Clerk after the Council Meeting

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their May 4, 2015 meeting. This item will be under the May 19, 2015 Common Council consent agenda.
