Subject: Amendment of Municipal Code §25.08 and creation 25.10; regarding authority to issue municipal citations, and maintenance of bond schedule.	

Details: WMC 25.08 is recommended to be changed to clarify and expand authority to issue citations, and to put provisions regarding bond schedule into a separate code section, where they can be found more easily.
--

Options & Alternatives: There is no alternative, amendment of the ordinance is the only means to accomplish the objectives.

Financial Remarks: There is no fiscal impact.

Staff Recommendation: We recommend the adoption of the ordinance. By amending 25.08, code enforcement will be facilitated, citation-issuance duties will be clarified, provisions will be easier for all to locate within the code. Please see the memo accompanying the draft ordinance for further explanation.
