Details:

In 2019, the City of Waukesha entered into a two-party agreement with the Wisconsin Department of Transportation (WisDOT) for the 2022 STP St. Paul Ave. Reconstruction project. As part of the project the sidewalk in Grede Park and at the fire station will be removed and replaced. To complete this work a Temporary Limited Easement will be needed to complete the work. At the fire station to get the ramp compliant with ADA/WisDOT requirements a Permanent Limited Easement (PLE) and a TLE is needed to complete the work.

The dedication of the TLE/PLE is needed for WisDOT approval of the project.
