Subject: Review and act on Proposed Bus Stop Eliminations	

Details:
This item is to review and act on proposed bus stop eliminations at Sunkist at Pleasant View Drive, 1801 N. Hartwell Ave and Sunset Drive west of Oakdale Dr. The Sunkist at Pleasant View Drive stop was proposed and approved as a new stop due to route reconfiguration on Routes 8 and 7/8 but after reviewing the site for pre-installation of the bus stop, it was deemed unfit due to a very large tree in the terrace and no viable alternative close to that location. The other two stops have very little ridership and have other bus stops in close proximity.

Options & Alternatives:
The only alternative would be to keep the bus stops.

Financial Remarks:
The cost of removing the bus stops is minimal as it only involves some staff time and the long run saves money as there are less bus stop signs, poles and bus pads to maintain and replace. Forgoing the stop on Sunkist will save funds as the stop has yet to be installed.

Executive Recommendation:
Recommend approval.
