

# WAUKESHA COUNTY AIRPORT OPERATIONS COMMISSION

DECISION SHEET – OCTOBER 12, 2016

---

To: Atlantic Aviation  
c/o Nick Read  
2525 Aviation Drive  
Waukesha, WI 53188

Re: Discussion and Action on Hangar Construction Plans by Atlantic Aviation

Commission Meeting Date: October 12, 2016

Action: We are pleased to inform you that the Waukesha County Airport Operations Commission conceptually approved your hangar plans subject to the conditions listed below.

Conditions: This approval is contingent upon the City of Waukesha Plan Commission approval. The airport prefers that landscaping is limited to grass as other features create wildlife hazards and operational safety concerns.

Next Steps: Please forward a copy of the municipal approvals and permits to the Waukesha County Airport Administration office for our records.

If you have questions regarding this decision, please contact that Airport Administration office.

Sincerely,

Kurt Weis  
Secretary  
Airport Operations Commission

Date

cc: Allison Bussler, Director, Department of Public Works
