<b>Subject:</b> Review and act on the request from John Misany for a one-time sewer credit for 506 Bethesda Ct.	

**Details:**  
 The City of Waukesha Municipal Code Chapter 29 requires sewer billing to be based upon the measured volume of water consumed and allows for a one-time unmetered credit. According to Chapter 29.6(d) titled One-Time Unmetered Credit, residential users may request an adjustment of sewer service charges for special circumstances such as installation of a new swimming pool or establishing a new lawn.

The property owner, John Misany, in a letter dated November 13, 2019, has requested to receive a credit for sewer service charges for the quarter ending September 20, 2019. As stated in the letter, a new lawn was installed and additional water was used to establish it.

For comparison and calculation of a refund, the average water usage was compared with the quarter of heavy usage.

High Usage Quarter: 32,000 gallons  
 Average Usage / quarter: 13,467 gallons  
 Estimated Additional Usage: 18,533 gallons  
 Calculated Refund (2019 - \$7.25 /1000 gal): \$134.37

The Department of Public Works recommends approval of a one-time sewer credit totaling \$134.37.

**Options & Alternatives:**  
 To not approve the one-time sewer credit or approve another dollar amount.

**Financial Remarks:**

**Executive Recommendation:**  
 Recommend approval of a one-time sewer credit totaling \$134.37.
