To Whom It May Concern,

This letter is to convey the scope of the proposed storage building to be constructed by Caliber Builders and Remodelers for Abbott Company at 1413 Pearl Street, Waukesha.

The details of the project are as follows:

- demolition of the existing 40' x 40' building located at the rear of property
- excavate existing footings and replace them with 4' footings with 2" foam at exterior
- erect new storage building 58' x 45' with 2' x 6' walls
- install steel siding and roofing.
- install 3 garage doors 12' x 14' tall
- heat building with Modine
- rough and finish grade exterior

Please let me know if need any more information.

Sincerely,

Kirk Staedter  
Owner, Caliber Builders and Remodelers
