Section II: RESPONSIBILITIES OF THE RECIPIENT

- A. The Recipient is responsible for submitting all program reports, invoices, or other required documents as outlined in the program application in the manner and form as prescribed by the Department. The Department may withhold any and all payments to the Recipient if program reports, invoices, and other required documents are not filed in the manner and form as prescribed by the Department.
- B. The Recipient agrees to pay the total operating deficit of the Transit System as its bills become due. If the Recipient contracts for mass transit service with a privately-owned company, the Recipient shall pay the privately-owned company in accordance with actual monthly operating expenses.
- C. The Recipient shall require the Transit System to provide reduced-fare programs for elderly and handicapped persons during nonpeak hours, and shall ensure compliance with that requirement. Such reduced fares may not exceed one-half of the full adult cash fare applicable during peak hours of operation. This requirement is not applicable if the recipient's mass transit system is a shared-ride taxi system.
- D. The Recipient agrees to carry out the project as outlined in its approved application. If the Recipient determines that changes to approved projects are necessary, written approval from the Department must be received before the Recipient may proceed.
- E. The Recipient may not assume expenditures outside the Period of Performance of this Grant Agreement unless the Recipient has sought prior written approval from the Department and has received that approval from the Department.

- F. The Recipient may not use program monies to purchase service from or make sub-grants to any third party without a contract, agreement, or purchase-of-service order, and must follow Department procedures and approval process. Third-party contracts, agreements, or purchase-of-service orders shall be available for inspection by the Department, its officials, employees or designees upon request.
- G. If applicable, the Recipient will make payments to third-party contractors within 30 days of Recipient's receipt of invoice.
- H. All materials, equipment, and supplies acquired through this Grant Agreement by the Recipient must comply fully with all safety requirements as set forth in law or rule by the State of Wisconsin, and with all applicable OSHA Standards.

Upon notice of any findings from this audit that involve the use of program funds, the Recipient shall inform the Department.
- B. All costs charged to this Grant Agreement shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers indicating the purpose of the charges. The Recipient, any Recipients, contractors, subcontractors, and their affiliates shall maintain all documents and evidence pertaining to revenues, expenses, and cost allocations related to this Grant Agreement. The Recipient shall be responsible for insuring the compliance of all Recipients, contractors, subcontractors, and affiliates with this provision.

- C. The accounts and records as required above shall be retained for a period of three years after final payment and shall be available upon request by the Department or its designee for inspection and audit purposes.
