| Subject: Discussion and Recommendation: Establish a Handicap Parking stall in front of Trinity Presbyterian Church at 224 N. Hine Avenue, west side of street. | |

Details:

Referral was made by Ald. Corey Payne. Activity would involve approving a Handicap Parking Stall on Hine Avenue.

Options & Alternatives:

Discuss whether to approve this request.

Financial Remarks:

The handicap parking stall being requested will involve installing a sign, some pavement markings and may require an new handicap ramp to be installed. That total cost of the approved stall will exceed \$500 and Public Works staff will recommend that the Trinity Presbyterian Church pay for the cost of the materials. Our city sign crews can install the sign and paint the stall. So, at this time, approving this stall will be contingent on the Church paying for the installation and, therefore, no cost to the City.
