Project Summary: The Edward Jones & Company investment advisory is vacating its office at 344 West Broadway as of the end of 2021. Tofte's Table, which is located next door at 331 Riverfront Street, would like to expand its restaurant into the adjacent building formerly occupied by Edward Jones & Company and to connect the two buildings with a large opening between them. A CSM is required to do this.

The building located at 331 Riverfront Street/332 West Broadway is a two unit condominium. The condominium will need to be terminated before the CSM is recorded.

Tofte's Table currently has approximately 2,666 sf. After this expansion it would have approximately 4,466 sf and a substantial area for outdoor dining.

Three preliminary renderings are attached, which will give an idea of what the finished project will look like. It's our intention to apply for approval of the site work at the February Plan Commission meeting.
