Subject: Review and act on Proposed Bus Stop Eliminations	

Details:
This item is to review and act on proposed bus stop eliminations at Grandview Blvd. at Brad St. on Route 8 and Burr Oak Blvd at Chapman Dr. (south side of street) on Route 5. Both bus stops have very little ridership and have other bus stops in close proximity. The stop at Grandview Blvd at Brad St. is also an unsafe location to pick up and drop off passengers and the bus stop can not be made accessible.

Options & Alternatives:
The only alternative would be to keep the bus stops at their current locations.

Financial Remarks:
The cost of removing the bus stops is minimal as it only involves some staff time and the long run saves money as there are less bus stop signs, poles and bus pads to maintain and replace.

Executive Recommendation:
Recommend approval.
