### 2025 Drop-Off Center Price Adjustments Summary and Table

- 1) Increasing prices for trash disposal of all types of vehicles.
- 2) Adding a higher tier for largest U-Haul trucks.
- 3) Increasing prices for latex paint disposal for 1-gallon and 5-gallon containers.
- 4) Increasing prices for overheavy bulky items by creating specific prices per item.
- 5) Adding a fee for non-city residents bringing oil/antifreeze/oil filters.
- 6) Raising age requirement for free yard material “senior discount” from 62 to 67. *We will raise the age for the senior discount by 1 year at a time over 5 years. For example, in 2025, the age requirement will be 63 years old, in 2026 it will be 64 years old, etc. This allows those who are already of the current 62-year-old age requirement to not start paying again.*
