<b>Subject:</b> Approval of PEPS 200 Robotic Cleaner Training and Service Agreement between the City of Waukesha and Carrico Aquatic Resources, Inc	

**Details:**  
Waukesha Parks, Recreation and Forestry wishes to contract with Carrico Aquatic Resources, INC to provide training and service with the purchase of a PEPS 200 Robotic Cleaner for Buchner Community Pool. A request for proposal was disseminated for the purchase, training, and maintenance of Robotic Cleaners. Carrico Aquatics Resources was the only company who submitted a proposal. The training and service agreement for the PEPS 200 robotic cleaner is \$425 which covers two years of limited warranty with onsite repairs and a one-year labor warranty from the date of purchase.

**Options & Alternatives:**  
WPRF staff considers contracting with Carrico Aquatic Resources the most efficient and cost-effective method of continuing maintenance with robotic cleaners. If we do not enter a service agreement, WPRF would be charged a rate of \$115 per hour, plus parts.

**Financial Remarks:**  
Purchase of Buchner Pool Vacuums is allotted in the Buchner Community Pool Budget – 5322.68290

**Executive Recommendation:**  
Recommend the approval of the contract between the City of Waukesha and Carrico Aquatic Resources, inc.

**Committee Recommendation:**
