On November 15th, the City of Waukesha plow hit Corbin Cooper's 2008 Chevrolet suburban, peeling off the back bumper, shattering the taillight, and damaging some other body panels. My truck was hit at 309 S grand avenue, A police statement and a police report were filed on the same day. The plow drivers made sure all was well, and that the situation was taken care of, as it was a supervisor and a trainee.

Corbin Cooper, 2/3/23
