Subject: Waukesha County Business Item- Review and Act on Proposed Agreement with WI Transportation, LLC to Provide Paratransit Service to Grandfathered Passengers of Waukesha County Route 901 Paratransit Service	

Details:
This item is a Waukesha County business item to review and act on a proposed agreement with WI Transportation, LLC to provide paratransit service for grandfathered passengers of the Waukesha County Route 901 Paratransit service.

Waukesha County eliminated the Route 901 paratransit service effective November 1, 2023 due to very low ridership and because the service was no longer required due to the significant reduction of service hours of Route 901. Waukesha County approved grandfathering the four passengers who were using the service to continue to have service for trips that could not be provided by another service through December 31, 2024.

This contract would be to provide the paratransit service to the grandfathered passengers. WI Transportation had the lower rates of reputable firms that can provide the service during the service hours required. WI Transportation is also the new service provider for the Waukesha County Aging and Disability Resource Center Rideline.

Options & Alternatives:
No viable options.

Financial Remarks:
There is no financial impact on the City as this service is paid for by Waukesha County.

Executive Recommendation:
Recommend approval.
