1. Why do you want to serve on the Advisory Council? (This is a volunteer position)

It would be an honor and a privilege to serve the residents of the City of Waukesha, and most specifically, the senior population of this community.

2. What services should a recreation center provide for the 55 plus adults of Waukesha?

A recreation center should provide "holistic" services/programs to the senior adults of Waukesha. The programming must address the physical, mental, emotional, cultural, and social issues relevant to this population. The programs/services must also include elements of fun and laughter.

3. What do you see your role being as a Council Member? What are your expectations of an Advisory Council?

My role as an Advisory Board member would be that of a listener, to gain knowledge regarding the needs/wants of this specific population. My expectations of the Advisory Board are that it would remain pro-active in its continuation of present services AND in its creative development of additional programming to enhance the lives of Waukesha's seniors.
