Subject: Adjust the No Parking zone on the west side of Tenny Avenue, just south of Roberta Avenue to be from the centerline of Roberta Avenue to a point 100 feet south.	

Details:
This item was brought forward by Public Works and Transit. There is a bus stop in the location described in the subject. Often, it has been noticed that cars park right up to the bus stop pad since the No Parking sign is right at the bus stop pad. When the bus stops, it must back up if there is a car parked too close. The request is to extend the No Parking zone further south to grant more room for the bus to pull out forward. The cost to adjust the No Parking Zone will be around \$100. The Committee voted unanimously to approve this item.

Options & Alternatives:
None

Financial Remarks:
The cost to adjust the No Parking zone will be around \$100 and covered by the 2019 Building and Grounds Sign Budget (3310.54140).

Executive Recommendation:
The Department of Public Works recommends approval of this item.

Committee Recommendation:
The Building and Grounds Committee approved this item at their December 16, 2019, meeting. Vote was not unanimous. This item will appear under the Building and Grounds Consent for the January 7, 2020, Council meeting.
