

Petition to Install Sidewalks along Properties within the Boundary Adjustment Agreement During Northview Road Reconstruction

Petition summary and background	The City of Waukesha is moving forward with plans for the roadway reconstruction along Northview Rd. As part of the Boundary Adjustment Agreement/BAA, the City of Waukesha cannot require any property owner to install, pay, or maintain sidewalk until December 31, 2022, at which time property owners could be assessed for the cost of the sidewalk installation. The City has decided to grade for the sidewalks but not install them during the 2018 reconstruction.
Action petitioned for	We, the undersigned, are property owners along Northview Rd and currently reside within Special Designated Area III described in the Boundary Adjustment Agreement/BAA, request the City of Waukesha pay for and install sidewalks along the Special Designated Area III along Northview Road at the time of Northview Road reconstruction in 2018 with property owners willing to immediately maintain sidewalks.
