5. Discussion and Recommendation

ID#16-0973 Modify the Code to allow the Director of Public Works, or their designee, to issue citations without limitation.

Mike Mazmanian, chief building inspector, appeared for Community Development. Currently, DPW's citation ability is limited to snow removal. There was a recent situation involving a dumpster, which required DPW to send a referral to Community Development to investigate, after they had done their investigation. This change would allow DPW to directly issue a citation and increase efficiency.

The Committee would like to hear from Dr. Abadi how he will address this using his current staff.

**A motion was made by C. Payne, seconded by Perry, to put this item on hold.
The motion carried by the following vote:**

Aye: 2 - Perry and C. Payne

Nay: 1 - Jankowski

Absent: 2 - Manion and Johnson

ID#16-1007 Discuss possible amendments to Municipal Code sec. 11.41 regarding sex-offender residency restrictions.

Bruce Flieschmen spoke, he is a City resident and owns four properties in the City. He is opposed to a change in the residency restriction ordinance; he is opposed to singling out one group. He doesn't want drug dealers, drunks or murderers living next to him. His properties are too close to parks for this to affect him, but he is opposed to increased restrictions for this one group.

Mr. Bartel, a registered sex offender, offended 23 years ago. He has a college degree and works now. He is a productive member of society and makes good money. He made a mistake a long time ago and wants to be able to move on; he has lived here for 30 years. He wants the Committee to take into consideration that some offenders are working hard to better their lives and should be allowed to do so.

The City Attorney was not able to attend this evening. He did provide a memo to the Committee on this item.

The current ordinance is 750'; the proposal is 2,500' which would be the largest in the county. It is proposed to amend the loitering provision to as much as 2,500'.

Jankowski spoke against changing the current restrictions.

C. Payne does not agree with the City of Waukesha taking in more of its fair share of offenders.

This item will be on the next meeting with an anticipated draft ordinance.
