

**2022 GEORGE GUNN AWARD FOR EXCELLENCE IN
HISTORIC PRESERVATION/RESTORATION NOMINATION
FORM**

The George Gunn Award is named for George Gunn, AIA, long-time member of the City of Waukesha Landmarks Commission representing the architectural profession. As a member of the Commission, Mr. Gunn had an abiding interest in maintaining the architectural integrity of structures through the processes of accurate historic preservation and/or restoration. To this end, he shared his expertise unselfishly with those engaged in such projects. The George Gunn Award will honor and be presented to those individuals who exhibit the Gunn spirit in preservation/restoration projects involving structures representative of Waukesha's rich architectural history. Typically, this award is given to individual(s) who are working toward or have completed a "top-to-bottom" restoration of a historic building.

Nominations should be submitted to Charlie Griffith in the City of Waukesha Planning Department, 201 Delafield Street, Waukesha, WI 53188. Nominations may also be submitted by e-mail to cgriffith@waukesha-wi.gov.

All nominations are due no later than Monday, April 4th, 2022. The Landmarks Commission will review nominations at the April 6th, 2022 meeting.

Please provide a brief explanation of the merits of the project:

The F.C. Elliott House looks beautiful! It received a new porch roof. Siding, soffit, fascia and crown was repaired/replaced, as was damage at the base of the tower. Missing gutters and downspouts were repaired. The house was repainted and it is a jewel in the neighborhood.
