Committee: Building and Grounds	Date: 11/2/2020
Common Council Item Number: ID No. 20-1306	Date: 11/17/2020
Submitted By: Fred Abadi, P.E. Public Works Director	City Administrator Approval: Kevin Lahner, City Administrator KL
Finance Department Review: Bridget Souffrant, Finance Director BS	City Attorney's Office Review: Brian Running, City Attorney BR
Subject: Please approve revising the posted speed limit on Summit Avenue to move the transition point between 25 and 30 MPH back to be 500 feet east of the centerline of N. Moreland Blvd. Summit Avenue will be posted 25 MPH from that point east and 30 MPH from that point west.	

Details:
This item was referred by Ald. Pieper and endorsed by Ald. Corey Payne. In September 2020, Engineering staff conducted a crash study of the intersection of Summit Avenue and N. Washington Avenue. Said study produced findings and made recommendations to improve safety. One such item was to adjust the existing posted speed limit as detailed in the subject line. The Department of Public Works does not have any issues with this item.

Options & Alternatives:
None

Financial Remarks:
If the committee approves this speed zone adjustment, the cost for installing new speed limit sign will be around \$200 and covered by the 2020 Building and Grounds Sign Budget (3310.54140).

Executive Recommendation:
The Department of Public Works recommends approval.
