Hi Shawn,

I support the ordinance that Alderman Rodriguez has put forward and would like to co-sign to place it on the agenda for the June 7th council meeting for consideration and action. Please let me know if any further documentation is needed to place this item on the agenda.

Thank you,

Jack Wells

Subject: Puppy Mill Ordinance

Mayor Reilly,

We, Jack Wells and Cassie Rodriguez, Aldermen for the city of Waukesha respectfully request placement of the attached ordinance to be placed on the agenda under New Business for the full Common Council for the first meeting in June, on the 7th. We would like for the agenda item to be placed for consideration and possible action, and for the first reading that would normally take place at the Ordinance and Licensing Committee to be waived. I, Cassie, spoke with Attorney Brian Running, and he indicated that this is possible based on the rules of the Council and Robert's Rules. I, Cassie, am emailing Alderman Wells and he will note that he is the co-sponsor, and he will then forward his consent via email to me, Mayor Reilly, and Clerk Treasurer Gina Kozlik.

Signed,
Cassie Rodriguez
