MEMORANDUM

To: Craig D. Ausen, PE, City of Waukesha

From: Alexander Cowan, PE, PTOE

Date: June 16, 2025

Project No.: 24-0447.10

Re: Prairie Avenue – Replacement of Parking Signs

Background

A request was made for the replacement of existing parking signs along Prairie Avenue between Sunset Drive and College Avenue. The existing parking restrictions include 2-hour parking between 8am and 6pm for all days of the week, with intermittent no parking zones along the corridor. The proposed parking revision would implement a 2-hour parking restriction from 8am to 4pm on weekdays and no parking restrictions on Saturdays, Sundays, and holidays. The Waukesha city limits end at the Prairie Avenue railroad crossing approximately 650 feet north of Sunset Drive and therefore, the following recommendations apply only to the segment between the railroad crossing and College Avenue.

Recommendation

The proposed parking changes are shown in the attached Exhibit 1 to this memo. Field observations were made on Friday, June 13, 2025, to confirm the existing signing. In addition to the necessary changes to implement the new parking restrictions, recommendations include any signs that were noted to be in poor condition.
